Terms & Conditions

Order Placement

To avoid errors, it is Carolina Heartwood Cabinetry's policy to only accept orders in writing. No verbal orders will be accepted.

The preferable method is to utilize our user-friendly Order Form. Printed order forms are also available at the back of this guide. Electronic order forms are available upon request. Please email the completed order form to CHCorders@web-don.com or print and fax to (704) 334-3342.

All order submissions, other than ones submitted on our provided order form, will require a signed order approval prior to finalizing the order. The customer is responsible for the accuracy of the order. Inventory will not be committed to the order until the order is approved. Changes or cancellations must be made within 2 hours of approving an order, once an order has been processed, the order is final. Changes beyond this time frame are subject to a \$100 change fee.

All changes and cancellations must be made in writing.

Lead Time/Flat Pack

Orders placed before 12:00 pm will be available for pick up after 10:00 am the next business day. Orders placed after 12:00 pm will be available for pick up after 10:00 am on the second day. Any order of 5 cabinets or less can be picked up same day at our Charlotte, NC Distribution Center, located at 1400 Ameron Drive, Charlotte, NC 28206. For expedited service, please let us know when you plan to pick up your order so that we can make every effort to have it ready when you arrive. Your order can be picked up from other Web-Don warehouse locations in 2-7 days.

Lead Time/Assembly

Professional assembly is available. Lead time is typically 2 weeks, although expedited service may be available, dependent upon production schedules. Please indicate on the order form if assembly is requested. Before production can begin, a signed order acknowledgement must be received from the customer. It is the customers responsibility to reconcile the acknowledgement for accuracy. Assembled orders are non returnable/non refundable and COD customers are required to pay in full before work commencing.

Damaged/Missing Items

All damaged or missing items must be reported within 24 hours of delivery and documented on the bill of lading. In the case of pick-up orders, the Customer is responsible for verifying their order prior to leaving the facility. A signed bill of lading or packing list signifies that all items have been received in a condition that is acceptable to the customer. We encourage customers to utilize Web-Don employees during the double check process.

Concealed Damage Claims

Claims can be made up to 7 days after receipt of order. A signed copy of a delivery BOL or pick-up packing list and pictures are necessary to process a concealed damage claim. Concealed Damage Claims are defined as requests made beyond 24 hours after the original receipt of materials. Concealed Damage Claim costs are shared 'proportionately' between the Customer and Web-Don. Approved concealed damage claim value may not exceed 50% and replacements are provided on a 50/50 split basis. Return and replacement shipment costs are at the Customer's expense. All assembled and modified products are excluded from concealed damage claims.

Terms & Conditions

Terms and Conditions

Standard Web-Don terms and conditions will apply for all Customers with open accounts. Those Customers that wish to have an open account must submit a completed Web-Don credit application for approval. Carolina Heartwood Cabinetry orders that exceed the Customer's credit limit may require payment prior to delivery or pick-up. All other COD orders require payment in-full prior to delivery or pick-up. All special orders, regardless of account status, are committed to payment in full prior to work commencing and are non-refundable.

Delivery

Delivery within the Web-Don trading area is available on a pre-defined routing schedule. Please inquire as to when we will be in your area. Delivery for assembled orders is available for a fee of \$8/box in most areas. Job site deliveries are available for \$12/box in most areas and appointments are required. Regular Web-Don delivery fees apply to all Flat Pack orders (\$25.00). The Customer is responsible for providing the necessary labor for unloading.

For net accounts all orders not picked up in 14 days will be billed to their account.

A \$125 cancellation or reload fee will be charged for pre-arranged deliveries if the customer is not available to accept and unload.

Third Party Shipping

Carolina Heartwood Cabinetry will no longer ship via a third-party carrier. It is the customers responsibility to make arrangements of their own. We will not ship items that are prone to damage unless the Customer specifically takes full responsibility for the shipment in writing.

It is the customers responsibility to fully inspect all items at the time of receipt and note issues on the bill of lading when signing for these shipments. Deliveries signed for without specific notations will be considered as having been received in a condition that is acceptable to the Customer.

Design Assistance

Carolina Heartwood Cabinetry offers design assistance, upon request, using 20/20 design software. Assistance is offered by appointment only, and times are limited based upon the availability of the Designer. A fee of \$200 is charged for the original design, with one revision permitted during the design review process. Additional revisions are available for \$75 each. Detailed measurements including, but not limited to, centerlines, windows, openings, ceiling heights and appliance specifications must be provided prior to the design process commencing.

Painting

Carolina Heartwood Cabinetry can custom paint any of our cabinet styles. Lead times will vary based upon the size of the project.

Samples, at a charge of \$75 each, are required to be approved prior to production commencing.

Interior finishing, to match the outside of the cabinet, is also available. Custom staining is not available. It is the policy of Carolina Heartwood Cabinetry not to paint customer supplied products under any circumstances.

All special orders, regardless of account status, requires a signed acknowledgement and non-refundable payment in full prior to work commencing.

Warranty and Returns

COVERAGE

Carolina Heartwood Cabinetry (CHC) warrants that all its products will be free from defects in material and workmanship for a period of one year from the date of purchase.

This limited warranty applies only to the use of our products in a normal residential application. Defects are defined as any imperfection that may prohibit the use of the cabinet or that do not measure up to our quality standards. This warranty applies to the original owner and is non-transferable.

DISCLAIMERS

Defects do not include items beyond our reasonable control, including but not limited to the following:

Wood and Color Variations. Natural variations in the color, textures and grain of the wood used to manufacture our cabinets as well as changes in the color of the wood caused by the aging process of the wood material are not considered defects.

Wood Doors. Changes to wooden doors caused by changes in humidity and temperature are not considered defects. Door warpage of up to 1/4" shall not be considered a defect.

Painted Finishes. Changes (such as finish stress lines) caused using natural woods (such as birch) or by changes in humidity, and temperature are not considered defects.

Finish Enhancements. Glazing and other finish enhancements such as Brush Strokes, Distressing, and Rub Through are applied by hand, and will have their own unique personality and character. These finishes may vary from item to item, resulting in variations in color, texture, and finish. These types of variations are not considered defects.

Defects or damage caused by improper assembly, intentional damage, misuse, modifications, exposure to the elements, accident, or negligence on the part of persons other than Carolina Heartwood Cabinetry is not covered by this limited warranty.

Carolina Heartwood Cabinetry reserves the right to discontinue or modify any of its products without notice and shall not be liable for providing warranty replacements in the event of such discontinuance. If Carolina Heartwood Cabinetry replaces any product under this warranty, it may substitute parts of products deemed by Carolina Heartwood Cabinetry to be of comparable quality or price in the event the parts or products initially purchased have been discontinued.

Warranty and Returns

EXCLUSIONS

Carolina Heartwood Cabinetry's obligation under this warranty is limited to the replacement or repair of the defective cabinets or component parts, at our discretion. This limited warranty does not include service, labor or transportation charges related to the removal or installation of the defective or replacement parts regardless of whether the work was performed by customers or by a contractor, service company or consumer. This limited warranty does not apply to any products used in conjunction with the cabinetry, such as countertops, appliances, or plumbing fixtures.

CLAIMS POLICY

All products must be inspected upon receipt for damage. ***Claims for damages not related to manufacturing defects must be submitted in writing within 7 business days of receipt of product and must be in the original packaging.*** Claims submitted after 7 business days that are not found to be manufacturing related or in the original packaging, may be denied. Freight claims for noticeable damage or shortages must be notated on the bill of lading at the time of delivery. To submit a claim, all documentation including pictures of the damage, proof of purchase and order numbers must be provided. We will work to handle all claims as quickly as possible however it could take up to 14 business days to be resolved.

RETURNS POLICY

Product may be returned with a 25% restocking fee if the following criteria is met:

- The product is not assembled (flat pack only)
- The return is initiated within 30 days of invoice date
- The product is not damaged and is in original packaging
- Customer is responsible for freight charges related to return
- Will not be accepted with out a valid RMA (Return Material Authorization)
- Assembled or modified products can not be returned

Use and Care Instructions

Carolina Heartwood Cabinetry (CHC) recommends the use of a soft cloth, slightly dampened with a mild solution of detergent and water, to clean our products. The products should be dried promptly and thoroughly with a clean, soft towel. Cleaning solutions can be hazardous to the finishes on wood products. Although the finishes on Carolina Heartwood Cabinetry (CHC) products are resistant to normal household chemicals, prolonged usage may cause a discoloration and/or dulling of the finish.

Under no circumstances should cleaners with ammonia or abrasive substances be used. Cleaners with ammonia in them will leave a permanent white haze or streaks in the finish. Furniture polish may be used, but is not recommended. Some of the more popular brands of polish will actually soften the finish over time.

Should an inappropriate cleaning solution, polish, wax or process be used on your cabinets, Carolina Heartwood Cabinetry (CHC) will not be held liable for any finish damages incurred.

Over time, hinges and drawer guides may come out of adjustment. This is a normal occurrence of daily use and not considered a defect or warranty issue. Carolina Heartwood Cabinetry (CHC) recommends that the end user of our products familiarize themselves with the operation and adjustment capabilities of the hardware and include this in their routine maintenance.
